## **NeuroGASTRO 2015**

ESNM announces the the next generation series of the European Neurogastroenterology meeting, starting in 2015. This renewed format meeting will be held every two years alternating to the FNM meetings and will bring together the best leading experts and emerging young investigators actively involved in neurogastroenterology, digestive motility and functional gastrointestinal disorders from Europe and from all around the world to discuss cutting-edge research. The first of these new series meetings will be held in Istanbul, Turkey on June 4-6, 2015. We are looking forward to seeing you there! Save the date!

## **WHDH 2014: Gut microbes, importance in health and disease**

At the occasion of the World Digestive Health Day (WDHD), on Thursday, May 29, the United European Gastroenterology ([UEG](#)) and European Society of Neurogastroenterology and Motility ([ESNM](#)) produced a short video on the importance of gut microbes in health and disease. It was also backed up by the World Gastroenterology Organisation ([WGO](#)), medical associations, patient organisations and the charity foundation [Core](#).

The WDHD is a annual event celebrated by patients and healthcare professionals to raise awareness of digestive and liver disease. This year is dedicated to gut microbes and their impact on health and diseases.

Please click [here](#) to see the video!

---

---

## **FNM 2014 in Guangzhou, China**

- The **early bird registration** is opened until [July 15, 2014](#) ! Please click [here](#) to register and to benefit of the early bird fee !

---

## **Nomination for Rising Stars 2015**

Every year the UEG [National Societies Committee](#) and the UEG [Scientific Committee](#) jointly select up to 10 emerging clinical scientists. Please click [here](#) for more information !

## **Young GI network**

A new initiative offers young delegates the opportunity to exchange scientific ideas with top speakers and senior experts and be guided through the scientific programme by mentors. See [here](#) what UEG offers to Delegates below the age of 40.

## **EBM Course**

The meeting will be held on the occasion of UEG Week Vienna 2014 (October 18-19, 2014). It aims for enhancing and bringing forward collaborations between young trainees and senior physicians in the field.

Application is open until July 27, 2014 ! Apply [here](#) !

---

## **AGA-Takeda Drug Discovery Conference**

Researchers are invited to submit an abstract of ideas, concepts or preliminary data to be considered for a new exceptional opportunity funded by Takeda Pharmaceuticals International, Inc. and the [AGA Research Foundation](#). Visit [www.gastro.org/discovery](http://www.gastro.org/discovery) for more information and to apply. Applications must be submitted by July 28, 2014.
